

Mrs T's Weekly Round Up

We've had another lovely, but busy week at school 😊. Year 6 are busy doing final preparations for their SATS, Reception have started their summer trips and made delicious vegetable soup and breadsticks this week at Travellers Rest farm (Ladybirds Class next week), and everyone has celebrated the Davison Cup win with a bright array of kits worn today!

Please remember that we're still in the green tokens scheme for Waitrose – especially important over the bank holiday weekend 😊 ☀️.

Other highlights this week have included:

Caterpillars Class Farm Trip 🐛 🚜 🌱 ❤️

There was a lot of excitement on Tuesday, which continued throughout the remainder of the week, so I think it's fair to say that the Reception children in Caterpillars thoroughly enjoyed their farm trip and cookery lesson! The trip was linked to the children's Cornerstone learning Ready, Steady, Grow . . .

Wednesday Collective Worship 🎵 😊

The children are loving our quest to find some uplifting pop songs for our Leavers Service, and our singing assemblies are a lovely way to end a Wednesday – as I'm sure you've heard if you're waiting outside the hall at the end of the day 😊. Although I might need to persuade someone to take this on for me next week as both myself

and Miss Beaumont are excited to be accompanying the London trip with Year 4

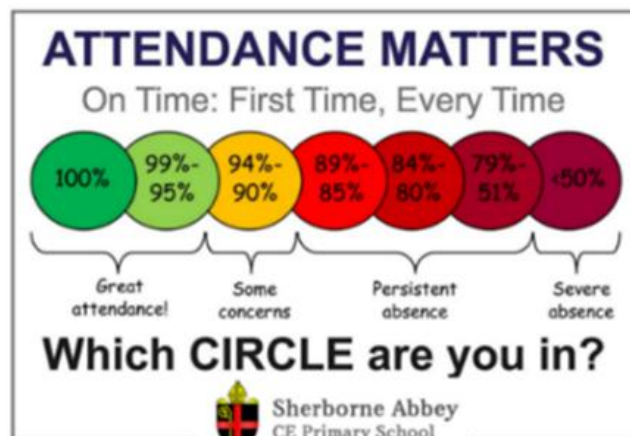

School Attendance Target: 97%

Whole School Weekly Attendance: 95.8%

We have another 100% for our Attendance Champions this week, well done Squirrels Class

100% 👏 ☀️
