

Mrs T's Weekly Round Up

Thank you to everyone for your kind words of support and encouragement this week, along with the very many gifts of sweet treats to keep us going – we really do appreciate you 🥰🙏. Our Ofsted report will take a few weeks to be quality assured as is normal practice, and we will then be able to share it with you – hopefully before the summer holidays 🙏. The content of the report is confidential until that time, but I am allowed to share with you that the inspectors were delighted to meet our lovely children. The children have also been delighting me as usual this week. Monday was a treat as I had a Dojo lunch with Aurora, Edith & Willow and I've ended my week with a picnic Dojo lunch with Lowena, Sara, Freddie & Lyra and the Bear Hunt story 🥰.

Other highlights of my week have included:

Year 5's Excitement ...

Year 5 started the week in style with their trip to Portland and told me that they had had a wonderful time, with some important learning and testing going on whilst they were on the water.

Year 3's Excitement ...

I am told that Cat in the Hat was funny and amazing, and apparently the children tell me that they were able to push giant bubbles and balls into the sky! Hopefully this makes more sense to you, but there was no doubting the children's enthusiasm.

Area Athletics ...

We had a lovely sunny evening on Thursday at the Gryphon, and our children (as usual) were excellently behaved, sporting in defeat and gracious in victory. We have acknowledged all the winners this afternoon in Celebration Worship, but medals etc will follow when they arrive with us.

We have also had a thoroughly enjoyable Teddy Bears Picnic today. Thank you for your kind donations for Julia's House Hospice 🙏. We'll share photos next week.

SPORTS DAY UPDATE

I am obviously aware of the forecast for Monday, and the HSA warning, and whilst I love seeing the sunshine back, it is a little too warm for running 🥵 and our children love to run! Therefore, as per our Dojo yesterday, Sports Day will now be on Monday 29th June (the reserve date previously advertised).

Thank you for your understanding with this. **Please also note that children may wear their school PE kit into school every day next week if it is cooler for them.**

School Attendance Target: 97%

Whole School Weekly Attendance: 96%

Our winners this week are Robins Class with an amazing 99.3% attendance this week, which was also a 5% improvement 🙌 ☀️.

Dates & Reminders for next week:

Monday 22 nd	SPORTS DAY DEFERRED UNTIL MONDAY 29 th
Tuesday 23 rd	PM – Year 5/6 Rounders
Wednesday 24 th	10 – 11.30am New Starters Morning Visit PM – Dental Nurse in for talk with Year 3 & 4 Dorset Library Summer Reading Assembly PLEASE NOTE CHANGE OF DATE 6.30 – 9.30pm Year 6 Celebration Evening

🔔 ⚠️ Amber heat-health alerts have been issued to the health systems across southern England until Tuesday 23 June, with yellow alerts covering the Midlands.

Early warnings help those in health and social care, as well as anyone supporting more vulnerable individuals, such as older adults and young children, to prepare and take appropriate action. You can check the latest alerts and guidance through the early warning system here: <https://ukhsa-dashboards.data.gov.uk/weather-health-alerts/heat>
