

Mrs T's Weekly Round Up

Well - this has been quite a warm week hasn't it! As you might expect, the children have been magnificent and have literally kept their cool all week, although this was definitely helped along by using these brilliant strategies:

Bare feet in trays of water (or just bare feet)

Hats that have been soaked through first

Lots and lots of water sprays and water play

Morning play in the Forest School area only

Packed lunches in classrooms to minimise numbers in the hall

Literally no lights on in school anywhere 😊

Ice lollies and ice-poles for children who stayed all day

Thank you everyone for your support this week.

Other highlights of my week have included:

Reception 2026 Starters . . .

Both this week and last Wednesday we were delighted to welcome our new families and children into school for their taster mornings. Both mornings seemed to have lots of happy excited children ready to start 'big school' and it was a privilege to be able to give out stickers and meet everyone.

Summer Fete Preparations . . .

The Year 5 and Year 6 children have been so imaginative this week telling me all about the wonderful stalls they are running at our fete later, so even though it is a bit warm (although considerably cooler than it's been) please do stay and support them, even for just 30 minutes 🙏.

Oral Health & Hygiene . . .

Children across Years 1, 2, 3 and 4 were delighted to listen to Ellie Scammell a local Dental Nurse who spoke to the children about the importance of good dental health. Thank you for giving up your time Ellie – we really appreciate it 🙏.

Thanks again for your support and good wishes this week – it's been a warm one, but we've all also had a lot of fun with our learning.

Hope to see many of you at the fete this afternoon but otherwise do have a lovely weekend and now that it is somewhat cooler - enjoy the sunshine ☀️🕶️.

Sports Day for Monday is looking positively glacial!

Warmest wishes,

Mrs Lisa Thompson
